Dion,

Di indicated that she sent the CD via USPS, therefore, we don't have a way to track the package. Also, USPS was supposedly holding all governmental mail until the shutdown was over (at least that's what our mailman indicated), so hopefully it will arrive very soon. If you need it more urgently we'll see what can be done.

Mike

Gentlemen,

Attached, in .pdf file format, is an electronic copy of the North Sanitary Landfill Monthly Progress Report (MPR). The MPR is reflective of Removal Action activities that were performed during the month of September 2013 in accordance with the U.S. EPA Administrative Order by Consent (AOC). Per the AOC, an official hard copy of this report is also being transmitted to you both via Certified Mail.

Regards,
Mike
